U.S. Politics And Digital InSight - S O C I A published:21 May 2018 U.S. Politics And Digital InSight - S O C I A U.S. Politics And Digital InSight - S O C I A published:21 May 2018 views:13187 Over the last decade, the Internet has evolved from a digital playground for adults to a critical battleground for U.S. politics. So, how does the Internet impact America's two-party system? Should there be more federal control over the Internet? What happens when federal regulations make an unpopular policy more palatable for a politician? And what does this mean for the way the Internet is used and its impact on society?
